# ***COMPETITORS, START YOUR ENGINES!***

Street Machine Drag Challenge is Australia's toughest street car competition! To prove the street cred of their car, entrants must race at five tracks over five days, driving between each without the aid of tow vehicles or support crews. And for the first time ever, Drag Challenge will be joined by two massive Rods Out burnout shows, featuring some of the biggest legends in the sport.

Rods Out is a two-day, two-state, torture test for the best burnout cars and drivers in the country. There's \$30,000 up for grabs as well as two Pro Burnout Series tickets to the greatest burnout showdown of them all - Street Machine Summernats! This means spectators at Dragway at The Bend [1 Nov] and Heathcote Park Raceway [2 Nov] get to see Australia's toughest street cars racing, as well as our toughest burnout cars!

The driver who scores the highest total combined points from their four burnouts will take out The Grind. They will win in an extra-special bespoke trophy and earn the eternal admiration of all for their display of endurance and grit.
